

The Finca de Vainilla 20 Soles is located in Arecibo, Puerto Rico, just 50 minutes from San Juan. It is a magical place full of tranquility where, in addition to appreciating its beauty, you can see beautiful butterflies and hear the birds singing in perfect melody.

The name honors its main crop, VANILLA. This is because after pollinating its flowers and harvesting the pods, they must be cured in the sun 20 times until they reach the chocolate color and the perfect aroma and flavor.

The 20 Soles Vainilla Farm has an agrotourism focus and is part of the Vanilla Route in Puerto Rico. In addition, it is affiliated with Vainilla Castañer, LLC and the Cooperative of Vanilla Producers and Processors of Puerto Rico - Vainilla Coop.

When you visit us you will be able to see the VANILLA orchids surrounded by the planting of coffee, cocoa, bananas, cinnamon, pitahaya and turmeric, among other agricultural products.

We will wait for you!
